- Two proven technologies — **Accelerated Stabilization Design** and **HYDRACLEAR® Plus** — merged for exceptional stability and comfort

Accelerated Stabilization Design

- Four points of stability
- Clear, stable vision throughout the day
- Harnesses power of the blink

ACUVUE® Brand Contact Lenses³ are indicated for vision correction. Eye problems, including corneal ulcers, can develop. Some wearers may experience mild irritation, itching or discomfort. Lenses should not be prescribed if patients have any eye infection, or experience eye discomfort, excessive tearing, vision changes, redness or other eye problems. Consult the package insert for complete information. Complete information is also available from VISTAKON®, Division of Johnson & Johnson Vision Care, Inc., by calling 1-800-843-2020 or by visiting ecp.acuvue.com.
