May 12, 2008

To all Affiliated Optometrists with Wal-Mart Stores, Inc.:

We are in the process of appointing an Advisory Panel for the 2008-2009 year. This panel will meet one to two times a year in person and have numerous conference calls throughout the year. The members will have a one year term with the potential of one additional year of re-appointment and will be compensated for their time. The objectives of the panel include but are not limited to:

1. Advise on Optometric topics (equipment, store layout, board relations, etc)
2. Advise on potential new business ventures
3. Be a liaison with their peers
4. Provide objective view points from a global perspective

If you or one of your affiliated peers is interested, please email me your CV at your earliest convenience as the deadline is May 26, 2008. We are looking for a panel of 8-10 members.

Lastly, I feel this is an important part of professional relations as this panel helps bring clarity to the day to day experiences Doctors encounter. Look forward to hearing from you and please contact me if you have any questions.

Sincerely,

Priti Patel OD
