professional organizations.

- Positions are based in the field and require residence within the market. Overnight travel is to be expected. Weekends may be involved. Relocation package available.
- Company car, laptop, pda, and a corporate expense account, are just some of the tools provided to assist you in your role.
- Direct Compensation.
 - o Base Salary. Your initial Base Salary will be \$100,000 annualized, and you will be paid bi-weekly.
 - o Incentive Award Opportunity. You will be eligible to participate in the Wal-Mart Stores, Inc. Management Incentive Program. This program currently allows you to earn up to a maximum of 25% percent of your annual salary in an incentive award based on the Company and/or other appropriate business unit(s) reaching certain pre-established performance measures.
 - o Equity Compensation. Your annual equity award level has a value of \$8,000 in restricted stock rights.
 - o Regional Pay Zone Compensation (RPZ). In addition to your base wages, you may be eligible for RPZ, based on the geographical location of the home store to which you are assigned. RPZ may increase or decrease or stay the same each year, at the discretion of the Company. RPZ may also differ from store to store, depending upon location.
