Doctor,

VISTAKON®, a division of Johnson & Johnson Vision Care, Inc., is pleased to announce the introduction of the new 1-DAY ACUVUE® MOIST® Brand 90-Pack. Now your patients' can have the convenience of a single-use lens, while enjoying the all day comfort and moisture benefits of LACREON™ technology and the value of a 90-pack.

Doctor, we value your opinion. You told us that cost factors into your patients' decision to choose a one day lens. We heard you.

In addition to introducing the 1-DAY ACUVUE® MOIST® 90-pack, we have also lowered the price of our 1-DAY ACUVUE® MOIST® 30-pack, and will continue to provide instant savings specifically for your VISTAKON® 1-DAY ACUVUE® patients.

The makers of ACUVUE® Brand Contact Lenses are committed to meeting the needs of your patients and your practice. If you have any questions or comments, please don't hesitate to contact us at 1-800-874-5278.

Thank you for your time. We appreciate your business.

Sincerely,

Dr. Richard L. Wallingford, Jr.

ACUVUE® Brand Contact Lenses are indicated for vision correction. As with any contact lens, eye problems, including corneal ulcers, can develop. Some wearers may experience mild irritation, itching or discomfort. Lenses should not be prescribed if patients have any eye infection, or experience eye discomfort, excessive tearing, vision changes, redness or other eye problems. Consult the package insert for complete information. Complete information is also available from VISTAKON®, Division of Johnson & Johnson Vision Care, Inc., by calling 1-800-843-2020 or by visiting [jnvisioncare.com](http://jnvisioncare.com).

Pricing available only for product purchases made at participating WALMART® stores and 1-800 CONTACTS® only.
