

VISION-EASE LENS
WORLDWIDE

Dear Partner Doctor-

We at [Vision-Ease Lens](#) are very proud to be a supplier of ophthalmic lenses to both Wal-Mart Vision Center and SAM'S CLUB Optical.

Vision-Ease Lens Facts:

- Founded in 1930 in St. Cloud, MN, we currently maintain 3 facilities in Minnesota as well as a manufacturing facility in Indonesia, plus distribution and sales offices covering Canada, Latin America, Western Europe and parts of Asia.
- One of only a few suppliers of ophthalmic lenses that is an American owned and American based company.
- [A recognized leader](#) in polycarbonate lenses, Vision-Ease Lens was the first major company to produce many lens styles designed specifically for polycarbonate material.
- As of March 1, 2008, we began purchasing 100% renewable energy to power our primary manufacturing facility in Ramsey, MN. As one of the largest energy users in the state, we are now eliminating more than 15,000 tons of CO₂ emissions each year.

A vision for sustainability

We're helping to reduce the large carbon footprint a small lens can make.

Vision-Ease Lens Products:

- [LifeRx photochromic lenses](#): Today the LifeRx brand at Wal-Mart and SAM'S CLUB includes aspheric single vision lenses, flat top bifocals and the Illumina No-Line in both brown and gray. LifeRx lenses fade back faster, are as clear as a clear polycarbonate lens indoors and are your patient's best value in photochromic lenses.
- [SunRx polarized lenses](#): Vision-Ease Lens holds exclusive patents on the manufacturing of prescription polarized polycarbonate lenses. As the leader in polycarbonate polarized technology, we sacrifice nothing. Our lenses are the highest quality polarized polycarbonate lenses available on the market today.
- Continua® & Tegra® polycarbonate lenses: Vision-Ease Lens supplies the most complete range of clear polycarbonate lenses to the optical industry, including two exclusive lenses: a 8x35mm trifocal and an aspheric lined bifocal.
- Glass & plastic lenses: Vision-Ease Lens supplies a complete range of glass and plastic lenses.

Vision-Ease Lens Service and Support:

- Vision-Ease Lens offers [marketing and training](#) support.
- Materials and services are offered free of charge to Wal-Mart and SAM'S CLUB partner doctors. For more information please contact us at 1-800-328-3449.
