

Special Offer for Walmart Independent Doctors of Optometry

Marco would like to remind Walmart doctors of our Exclusive Corporate Pricing for all Marco Automated Products.

This month, Marco highlights the:

Fully Automated **AFC-330 Non Mydriatic Retinal Camera**.

Key features and benefits of the AFC-330 are:

- Auto X-Y-Z Alignment, Focus and Image Capture for the perfect image regardless of operator experience...in less than 5 seconds per eye!
- Confidently Screen, Document & Diagnose your Diabetic, AMD and Glaucoma patients and more...
- 12 Megapixel Resolution for Ultra High Quality Images
- Space Saving design provides the smallest footprint in the industry. No PC required.
- Interfaces to many EMR's allowing for fewer data transcription errors and time savings

In addition to Corporate Pricing... **For a Limited Time**, Marco will include an additional 12-Months on the warranty for a total of 24 Months "bumper to bumper" coverage!

- For more info please email walmartod@marco.com or call 800-874-5274.
