

Doctor Partners,

We are excited to inform you of a new pack size and expanded parameters from ACUVUE

Effective February 1st, 2010

- **1 Day ACUVUE® MOIST™ NEW 90ct**
- **OASYS™ for Astigmatism expanded parameters**

Overview:

- **1 Day ACUVUE® MOIST™ 90ct** will have a much better value for our patients vs. the existing 1 DAY ACUVUE® MOIST™ 30ct
 - 90ct – \$69.99 vs. 30ct – \$29.99; 29% value for the patient
 - All trial lenses for ACUVUE® 1 Day MOIST™ are already in the BOSS system
 - If you need a fitting set, please contact your Vistakon Sales Representative for both 8.5 and/or 9.0 base curves
- **OASYS™ for Astigmatism** expanded parameters are +0.25 to +6.00 (0.25 steps) -2.25CYL (AXIS 10,20,90,160,170,180)
 - All new parameters are available in the BOSS system on an as needed basis
 - See attached parameter sheet for available powers
 - Vistakon will be working to secure expanded fitting sets for those Doctor Partners that currently do not have one by mid 2010.
